Dave and Eileen,

I hope you both had a wonderful Thanksgiving, celebrating all that we have to be thankful for. You two, and the entire NRC team, were high on my list of blessings. I appreciate all that you are doing and the integrity with which you're doing it.

I know you have plenty of people to interview. I do think more light could be shed on matters at PSEG Nuclear by people who used to work there and are now somewhere else. Like me going to the Duke Energy plants, these folks now have a fresh "comparision" to make.
