DESCRIPTION OF AGREEMENT

Under this agreement, the BPA holder shall provide expert legal services. The above described supplies and/or services shall be provided when ordered by an authorized Contracting Officer during the specified period stated in the paragraph titled "Term of BPA". This BPA is for support to U. S. Nuclear Regulatory Commission (including geographically separated units and operating locations) only.

SERVICES AVAILABLE UNDER THIS BPA

Attachment A details all services, with accompanying rates and category descriptions, which may be ordered under this BPA.

PRICING

1. The prices (loaded labor rates) included on the BPA list (or applicable "discounted" rates submitted in a proposal response to an RFQ resulting in award) that are in effect on the effective date of an order shall govern that order's basic performance period. With regard to any option years, which are later exercised, the proposed option year rates as incorporated into the order award are in effect until such time, if applicable, that the contractor has been authorized a rate increase culminating from a negotiation with the Contracting Officer.

2. The BPA holder can voluntarily reduce offered prices at any time by giving 24-hour advance notice (by facsimile or electronic-mail) to the U. S. Nuclear Regulatory Commission/CO Contracting Officer. This BPA also allows for additional discounts if a "large order" is placed at one time. An advanced notice is not required for discounts offered for only an individual order. Whether an order is large enough to warrant such a discount is subject to the discretion of the BPA holder.

3. The BPA holder may also increase BPA prices at any time. Any BPA price increase shall not take effect until the U. S. Nuclear Regulatory Commission Contracting Officer receives written notification (U.S. mail, facsimile, or electronic-mail). Any order already issued shall not be affected by any change to BPA pricing. The prices offered under this BPA will undergo annual review by the U. S. Nuclear Regulatory Commission Contracting Officer.

PREVAILING TERMS AND CONDITIONS

All orders placed against this BPA are subject to the terms and conditions of the all clauses and provisions in full text or incorporated by reference herein:

A.3 SEGREGATION OF COSTS

a. The "Payments under Time-and-Materials and Labor-Hour Contracts" clause provides for reimbursement to the contractor of costs incurred for certain items and services purchased directly for the contract, subject to certain limitations set forth in the clause. Such items may include the lease/purchase of equipment, travel expenses for Government- directed travel, consumable materials, tuition and registration fees for specialized training, and other services or items acquired for the Government's account under the Government Property clause. The items and services which the BPA holder is authorized to purchase on a cost- reimbursement basis shall be limited to only those specific items and services described in the order(s) issued to the BPA holder as authorized for purchase.

b. The BPA holder shall segregate costs associated with materials and other items authorized to be purchased on a cost-reimbursement basis (to be specified in each order) from other costs associated with the performance of this contract in such a manner that at any time the costs subject to reimbursement under each order shall be readily ascertainable.

c. The "Ceiling Price" referred to in the "Payments under Time and Materials and Labor-Hour Contracts" clause shall be the ceiling price as stated in each order.

A.4 REPRESENTATIVE OF THE CONTRACTING OFFICER

a. The following named Contracting Officer's Technical Representative (COTR) at the appropriate ordering Program Office is (are) authorized to act as an official representative of the Contracting Officer.

(To be specified when orders are issued)

b. The above are designated by the Contracting Officer and are authorized to act within the limitations specified herein and written restrictions specifically imposed under the terms of the order and by the Contracting Officer. This authority shall extend to the following: inspection, acceptance, or rejection of work.

c. This designation does not include authority to direct changes in scope, price, terms or conditions of the contract or order. The authority herein also does not include authority to execute modifications to the contract

or order, which require the signature of the Contracting Officer, or to bind the Government by contract in terms of a proposed contract change.

A.5 TASK ORDERS

a. The BPA holder shall furnish all the necessary qualified personnel, materials, facilities and management resources to furnish the services set forth in the Statement of Objectives (SOO) or the Performance Work Statement (PWS) within the terms specified and at the price(s) stated.

b. It is understood and agreed that the BPA holder shall provide Fixed-Price proposals when requested by the Contracting Officer (CO). The contractor's proposal shall be priced using labor rates and labor categories here in provided. The CO will issue Fixed Priced Task Orders upon completion of negotiations of contractor proposals.

A.6 LABOR HOUR ORDERS

a. It is intended that the majority of orders issued for performance under this BPA will be Fixed-Priced Task Orders. However, on occasion Labor Hour Task Orders may be issued. This section applies to such orders only.

b. The BPA holder shall furnish all the necessary qualified personnel, materials, facilities and management resources to furnish the services set forth in the Statement of Objectives (SOO) or the Performance Work Statement (PWS) within the terms specified and at the price(s) stated. All orders will be issued and modified at the labor rates in effect at the time the work is performed.

c. It is understood and agreed that the BPA holder shall use in the performance of the contract, the labor categories and hours specified in each order.

d. The labor categories and hours specified in each order represent the current best estimate of the services to be performed. To enhance flexibility and to allow the BPA holder to determine the optimum labor mix for the order the BPA holder may without notice to the Government, increase or decrease the number of hours for each category specified in the individual order by no more than 5%. These adjustments are allowable only to the extent that the ceiling price and the total number of hours of the labor CLIN(s) are not exceeded. The BPA holder will not be paid more than the ceiling price of any individual order.

e. Government Reimbursement of BPA holder-Incurred Training Costs in Support of Mission-Unique U. S. Nuclear Regulatory Commission Requirements. BPA holder personnel are required to possess all the skills necessary to support at least the minimum requirements of the Performance Work Statement (PWS) tasking for the labor category under which they are performing. Training to meet such minimum requirements must be provided by the BPA holder and is included in the fixed price labor rates. In situations where the "Government User" being supported by an order under the basic contract requires some "unique" level of support beyond the minimum requirements of the PWS because of program/mission-unique needs, then the BPA holder may directly charge the Task order (in the same manner as one might charge work-related TDY expenses) in order to obtain the unique training required for successful support if authorized in the order. Such education/training might be provided by Government entities or by "third party" private entities such as companies who specialize in providing professional or specialized training/education seminars/classes. Direct labor expenses, and travel related expenses allowable under the Joint Travel Regulations (JTR), may be allowed to be billed on a cost reimbursement basis. Tuition/Registration/Book fees (costs) that may be applicable to an individual course/seminar may be recoverable as a direct cost if specifically authorized in a particular order. Documentation (in the form of an U. S. Nuclear Regulatory Commission Program Office signed memorandum that such contemplated labor, travel, and costs to be reimbursed by the Government are mission essential and in direct support of "unique" or special Program Office requirements) will be required to support the billing of such costs against the order, which authorized payment, therefore.

f. In the event the BPA holder expends fewer hours than set forth in the individual order, the total order shall be adjusted to reflect the actual number of hours expended and the final order price. In no case will the final price exceed the ceiling price of the order.

g. Notwithstanding any other provision, the BPA holder shall maintain sufficient accounting records for verification of the hours and categories of labor incurred in the performance of each order. It is further understood and agreed that the accounting records shall be available for Government review during the performance of the contract and until three years after final payment under the contract. In the event subcontract labor is included in the labor effort contained in paragraph (c) above, the foregoing records provisions shall be included in all applicable subcontracts.

h. Payment under individual orders for CLINs (to be specified in order) will be in accordance with FAR 52.232-7 entitled "Payments under Time-and-Materials and Labor-Hour Contracts." Withholding of amounts due as contemplated by the clause will apply to the total contract and not to individual orders. Withholding will not exceed \$50,000.00 for the entire contract, regardless of the number of orders issued against the contract, and will apply to the first order and continue until the maximum withholding amount is reached. To facilitate closeout of early orders, the amount withheld may be transferred to any subsequent active order. Ceiling price, as used in the clause, applies to each individual order, not to the total contract.

A.7 TRAVEL

The Government will reimburse the cost of travel required in conjunction with performance of orders issued under this contract. Reimbursement for travel is limited to that required in the performance of the order. Specific Government direction to attend meetings or gather information shall be reimbursed on a cost-reimbursable basis only. Local travel or the relocation of BPA holder personnel from other geographic areas for the purpose of staffing an order, are not subject to reimbursement. The Government will not pay travel charges for travel to and from the BPA holder employee's home and U.S. Nuclear Regulatory Commission (Govt. Office) or to and from one company building to another (either within a company or to and from a prime to a sub company). Travel costs subject to reimbursement are limited to travel occurring at the direction of the Government, performed in conjunction with a specific requirement for a trip authorized in the order. Any administrative/clerical support travel costs shall be considered and approved by the Contracting Officer on a case-by-case basis.

A.8 FEDERAL HOLIDAYS

Unless specifically authorized in writing by the Contracting Officer, no services will be provided and no charges will be incurred and/or billed to any order on this contract on any of the Federal Holidays listed below.

| New Years Day | Labor Day |
| Martin Luther King Day | Columbus Day |
| Presidents' Day | Veterans' Day |
| Memorial Day | Thanksgiving Day |

A.9 NONPERSONAL SERVICES

a. In performance of this contract, the BPA holder will provide support in the form of services required by program offices to support management of their overall mission. This will be based upon the order's performance work statement for the specific effort. Orders will be formally issued to the BPA holder as opposed to individual BPA holder employees.

b. The services required under the Agreement constitute professional and management services within the definition provided by FAR 37.201.
