Re: Mailing Address Change for licenses 37-20826-01 and 37-20826-02

Dear Mr. Schmidt:

As part of local street renumbering associated with 911 telephone services, Alaron's mailing address and use location has changed to the following:

Alaron Corporation
2138 State Route 18
Wampum, PA 16157-9320

This is a change in street address name only, not an actual physical relocation. Please amend our radioactive material licenses (37-20826-01 and 37-20826-02) to reflect the new address and help us with getting the new address into the NRC system.

Should you have any questions or need further information, please contact me (email harversonj@alaron-nuclear.com, telephone 724-535-5777 extension 234), or our health physicist, Jonathan Wallace (wallacej@alaron-nuclear.com, 724-535-5777, ext 214).

Sincerely,

Joseph Harverson
President

This is to acknowledge the receipt of your letter/application dated

7/10/2006, and to inform you that the initial processing which includes an administrative review has been performed.

☒ Amendments 37-20826-01 / 37-20826-02
There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

☐ Please provide to this office within 30 days of your receipt of this card

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned Mail Control Number 139132 / 139133
When calling to inquire about this action, please refer to this control number.
You may call us on (610) 337-5398, or 337-5260.
