8 Does your employer require you to have

5 SR. SPECIAL AGENT TEATOR: ( )

6 ( ) Right. And two other  
7 organizations that you may or may not - Nuclear  
8 Assessments, which is ( ) (phonetic)  
9 organization and Business Support, with ( )  
10 ( )  
11 ( )  
12 ( )

13 SR. SPECIAL AGENT TEATOR: Okay. And in  
14 your job as ( ) can you tell me what you  
15 do regarding the budget for the CNO?

16 ( ) Yes. I'm primarily  
17 responsible for developing the labor budget, which  
18 would include the personnel budget together with any  
19 labor, material, contractor and other costs that would  
20 be paid for out of the CNO organization.

21 SR. SPECIAL AGENT TEATOR: And how long  
22 have you been involved in that budget work for the  
23 CNO, how long have you done that?

24 ( ) Roughly five years.

25 SR. SPECIAL AGENT TEATOR: All right.

1 Okay, I met you, I don't know, two or three weeks ago,  
2 I was done here doing interviews with other people and  
3 Mr. Keenan introduced us.

4 [REDACTED] Right.

5 SR. SPECIAL AGENT TEATOR: I had asked Mr.  
6 Keenan to provide documentation regarding whether the,  
7 first of all, do you know who Kim Harbin is?

8 [REDACTED] Yes, I do.

9 SR. SPECIAL AGENT TEATOR: Okay, I had  
10 asked Jeff to provide documentation, if there was any,  
11 regarding Kim Harbin's job being budgeted. Whether it  
12 was budgeted for the year 2003, the budget cycle down  
13 here for your 2003, which is a calendar cycle, right?

14 [REDACTED] Right.

15 SR. SPECIAL AGENT TEATOR: It begins in  
16 January, through December, 31?

17 [REDACTED] Correct.

18 SR. SPECIAL AGENT TEATOR: Whether her job  
19 had been budgeted for '03, or the angle of whether it  
20 had been not budgeted specifically for calendar 2003.  
21 Have you reviewed -

22 [REDACTED] Yes.

23 SR. SPECIAL AGENT TEATOR: - your records  
24 to see if such documents exist?

25 [REDACTED] What I found, Jeff, was that

7c

1 2003, the original 2003 budget we put together did not  
2 include Kim.

3           Primarily, because she came so late in the  
4 year, it was beyond our budget cycle. So when we, we  
5 first got her into the budget, was the beginning of  
6 2003.

7           Once we got notification from HR that she  
8 would be transferring down here, we of course review  
9 every month. We do a forecast every month. So as soon  
10 as we found out she was coming down here, we included  
11 her salary in the CNO Cost Center Budget.

12           SR. SPECIAL AGENT TEATOR: Okay. You made  
13 a comment that Kim was not included for the year 2003.  
14 Were you mistaken, did you mean 2002? Because she  
15 actually transferred to the Nuclear or Business Unit,  
16 I believe January 1, 2002? Or very late, 2001.

17           ( [REDACTED] ) Yeah, that is correct. That  
18 is correct.

19           SR. SPECIAL AGENT TEATOR: All right, so go  
20 ahead, and maybe you can repeat your answer now so I  
21 get it understood.

22           ( [REDACTED] ) The, she was not included in  
23 the 2002 Budget, because we prepared that budget in  
24 the summertime, the summer and fall time frame of  
25 2001.

SR. SPECIAL AGENT TEATOR: Okay.

( [REDACTED] ) Since she didn't come until later that year, she was not included in the original budget. As soon as we got notification that she, from HR that she was coming down here, we included her salary in the next forecast update for that year.

SR. SPECIAL AGENT TEATOR: All right, so that takes care of the budget year 2002.

( [REDACTED] ) Right.

SR. SPECIAL AGENT TEATOR: Okay, so then the summer into the fall of 2002, would you be involved in budget planning for [REDACTED]'s direct reports, his group for the year 2003?

( [REDACTED] ) Yes, I was.

SR. SPECIAL AGENT TEATOR: And did your review of records, documentation for whether she was budgeted, her job was budgeted for '03, or not, what did that, what did you find regarding that?

( [REDACTED] ) That she was, she was included in that budget.

SR. SPECIAL AGENT TEATOR: Okay. And when would that budget have been finalized?

( [REDACTED] ) It would have been finalized in the fall of 2002.

SR. SPECIAL AGENT TEATOR: And can you

1 provide any documentation to support that Kim Harbin's  
2 position was budgeted for 2003? Is there something  
3 you can provide in regard to that?

4 ( [REDACTED] ) I should be able to go back to  
5 my records and pull something out that indicated that,  
6 by name.

7 SR. SPECIAL AGENT TEATOR: Okay, and Jeff,  
8 I'd ask that when [REDACTED] comes up with that, that be  
9 provided to me, please, as part of this investigation?

10 MR. KEENAN: Absolutely, we stipulate to  
11 providing the information consistent with your  
12 request.

13 SR. SPECIAL AGENT TEATOR: Okay, now you  
14 also made a comment, though, something about a budget  
15 forecast is done every month, going forward.

16 ( [REDACTED] ) Correct.

17 SR. SPECIAL AGENT TEATOR: Okay. So if the  
18 budget for 2003 was finalized, for right now, sometime  
19 in the fall of '02?

20 ( [REDACTED] ) Correct.

21 SR. SPECIAL AGENT TEATOR: At any point  
22 during 2002, did the forecast, did your budget  
23 forecast change, in that it would show that Kim  
24 Harbin's job would not be budgeted for 2003?

25 ( [REDACTED] ) No. AC

1 SR. SPECIAL AGENT TEATOR: Okay. At any  
2 point during 2002, were you informed by anyone that  
3 Kim Harbin's job may not be continued in 2003?

4 ( [REDACTED] ) No.

5 SR. SPECIAL AGENT TEATOR: Okay, and while  
6 we're talking about this budget thing, at any point  
7 during the year 2003, early 2003, January and  
8 February, you wouldn't be doing budget work for '04,  
9 yet, correct?

10 ( [REDACTED] ) No.

11 SR. SPECIAL AGENT TEATOR: But would you  
12 still be doing these monthly forecasts?

13 ( [REDACTED] ) Oh, absolutely.

14 SR. SPECIAL AGENT TEATOR: Okay, any point  
15 during January or February, 2004, did your budget  
16 forecasts show that her position was going to be  
17 eliminated?

18 ( [REDACTED] ) No, sir.

19 SR. SPECIAL AGENT TEATOR: All right. In  
20 fact, that did not happen until after I found out that  
21 she was no longer with the company. And, of course,  
22 the next month I did not include her salary.

23 Nobody officially came to me and said  
24 that, though I knew she had left. So I, the next  
25 forecast, I did not include her salary.

SR. SPECIAL AGENT TEATOR: All right. In your budget work, would you have also done the budget work for (redacted) group and his people?

(redacted): Yes, sir.

SR. SPECIAL AGENT TEATOR: Including labor budget and for personnel?

(redacted) Right.

SR. SPECIAL AGENT TEATOR: Okay. Do you remember if in late 2002, early 2003, time period, there were people in his department, I guess probably your department, Nuclear Business Support -

(redacted) Right.

SR. SPECIAL AGENT TEATOR: - who were downsized?

(redacted) Yes, I do.

SR. SPECIAL AGENT TEATOR: Now did your budget forecast show those positions being eliminated and not carried forward?

(redacted): Right, right.

SR. SPECIAL AGENT TEATOR: And who would you have gotten that information from that those jobs were being eliminated?

(redacted): If not directly from (redacted) it

1 would have been ( ) Manager or Supervisor who  
2 worked directly for ( )

3 There was ( ) as ( )  
4 ( ) and there's also a ( )

5 SR. SPECIAL AGENT TEATOR: Who were those

7 ( ): The Manager at that time would

9 SR. SPECIAL AGENT TEATOR: Is he still

13 SR. SPECIAL AGENT TEATOR: All right, and  
14 who was the other gentleman?

15 ( ) who is my  
16 Supervisor, direct Supervisor.

17 SR. SPECIAL AGENT TEATOR: Today?

18 ( ) Today.

19 SR. SPECIAL AGENT TEATOR: Okay, all right.  
20 Well, let me ask, I'm asking you this, this is an  
21 opinion question. If those positions were eliminated  
22 in Business Support and you knew about it, and  
23 budgeted accordingly, okay, do you know why you  
24 weren't informed of a - let's take a short break, off  
25 the record.

1 (Whereupon, the foregoing matter  
2 went off the record and went  
3 back on the record at 1:25 p.m.)

4 SR. SPECIAL AGENT TEATOR: Okay, just for  
5 the record, it's about 1:25. That was plant voices  
6 calling letting us know there's going to be a test of  
7 alarms here at 1:30. We have a couple minutes and  
8 we're going to continue, then we're going to break  
9 before the alarms go off.

10 Prior to going off the record, [REDACTED] I  
11 asked you a question. And I'm going to get to, and  
12 Mr. Keenan brought up a point off the record.

13 But if, well let me ask you that now,  
14 then. At some point, were you informed that positions  
15 in Business Support or Services were going to be  
16 downsized?

17 [REDACTED] Right, I was.

18 SR. SPECIAL AGENT TEATOR: Can you remember  
19 when you were informed of that, approximately? Would  
20 it have been in 2002?

21 [REDACTED] Right. Yes, it would have  
22 been, prior to the budget cycle for 2003.

23 SR. SPECIAL AGENT TEATOR: Okay, are you  
24 positive of that?

25 [REDACTED] In my recollection is, I would

**NEAL R. GROSS**

1 like to confirm that. But as I recall, it was in the  
2 2002 time frame that I was aware that there would be  
3 some downsizing in Business Support.

4 SR. SPECIAL AGENT TEATOR: And would you  
5 have included that information in your budget  
6 preparation for [REDACTED] group for 2003?

7 [REDACTED] As I recall, I did, Jeff. I  
8 will definitely confirm that.

9 SR. SPECIAL AGENT TEATOR: Okay. And if  
10 you were told about both positions being eliminated in  
11 Business Support, would it have been summer of '02,  
12 time period? Early fall '02, time period?

13 [REDACTED] As I recollect, it was in late  
14 in the fall of 2002, that we started talking about  
15 head count reductions.

16 SR. SPECIAL AGENT TEATOR: During any of  
17 those discussions about head count reductions, was Kim  
18 Harbin's name mentioned at all in your presence?

19 [REDACTED] No, sir.

20 SR. SPECIAL AGENT TEATOR: Well, and my  
21 question was before we went off the record, if you  
22 were made aware of those position eliminations for  
23 Business Support and budgeted accordingly, do you know

( [REDACTED] ) No, I don't know why.

SR. SPECIAL AGENT TEATOR: All right.

( [REDACTED] ) I had not heard any indications, though, that there would be any downsizing in that area, in the [REDACTED] area.

SR. SPECIAL AGENT TEATOR: When you say [REDACTED] area, you're really just talking about [REDACTED]

( [REDACTED] ) Three people.

SR. SPECIAL AGENT TEATOR: [REDACTED] and Kim Harbin?

( [REDACTED] ) Right.

SR. SPECIAL AGENT TEATOR: Okay. You mentioned something earlier that you would be responsible for budgeting for labor, personnel and other costs that were paid for out of the CNO's organization.

Were you then involved in the temporary living expenses that were given to Kim Harbin for calendar year 2002?

( [REDACTED] ) I was, I was, yes, I was.

SR. SPECIAL AGENT TEATOR: Well -

( [REDACTED] ): Only to the extent that I was, I didn't make the decision as to whether she was paid for that.

SR. SPECIAL AGENT TEATOR: Okay. Would, whether she would be kept on the same type of temporary living expenses for '03, would that be part of your budget cycle looking at 2003?

( [REDACTED] ) Yes, it would be that.

SR. SPECIAL AGENT TEATOR: And do you recall if you did budget for her getting temporary living expenses for the year 2003?

( [REDACTED] ) What I budgeted for was miscellaneous business expense in the CNO budget. Which could have included, would have included those and any that ( [REDACTED] ) or ( [REDACTED] ) may have incurred. nc

SR. SPECIAL AGENT TEATOR: Well, let me ask you this flat out. Did your budget projection for 2003, include those type of expenses specifically for Kim Harbin?

that, Jeff.

SR. SPECIAL AGENT TEATOR: I'd like you to provide that verification to Mr. Keenan, so I can get a copy of that.

( [REDACTED] ) Okay, sure.

SR. SPECIAL AGENT TEATOR: Now while we're talking about - well, it is 1:30. Before I pick up on that question, we're going to go off the record.

( [REDACTED] ) Okay.

(Whereupon, the foregoing matter went off the record and went back on the record at 1:38 p.m.)

SR. SPECIAL AGENT TEATOR: Okay, the siren test is over, it's 1:38. While we were off the record, Jeff, you provided a document (inaudible) and you've already given it to me, but it's titled, excuse me, PSEG Nuclear Reduction in Force for the years 2000, 2001, two, three and four.

And it has, at the top of the list it has some individuals and the dates they lost their positions, basically. And it has cost centers.

Now there's a cost center number of 1288 that would be for Technology and Integration. Would that be the cost center that you would budget, you were responsible for budgeting for?

( [REDACTED] ) Yes.

SR. SPECIAL AGENT TEATOR: And there's another number 1339, Business Support. Would you budget for that one, also?

( [REDACTED] ): Yes.

SR. SPECIAL AGENT TEATOR: Okay, then there's 1364, would you have budgeted for that one?

( [REDACTED] ): Yes.

SR. SPECIAL AGENT TEATOR: Okay, and there's another one up here, 1356, Manager Business Support. Would you budget -

( [REDACTED] ): Correct.

SR. SPECIAL AGENT TEATOR: How come that's different than the 12, than the 1339? Because it's a manager position, is that why? See the one at the top?

( [REDACTED] ): Umm hmm.

SR. SPECIAL AGENT TEATOR: I just notice a difference. That one is 1356, and the other Business Support -

( [REDACTED] ): Well it's a different cost center.

SR. SPECIAL AGENT TEATOR: Okay.

( [REDACTED] ): This, these are four or three, four, including 1364, distinct different cost centers

1 there.

2 SR. SPECIAL AGENT TEATOR: Okay. Now we  
3 talked off the record. Actually you made a comment  
4 that when [REDACTED] came on board down here at  
5 the site, in his position, which was what? What was  
6 his position?

7 [REDACTED] Director of Business Support.

8 SR. SPECIAL AGENT TEATOR: Okay, when he  
9 came on board what, what did he pretty much tell  
10 everybody?

11 [REDACTED] One of the first things that  
12 [REDACTED] indicated to us in his meeting, all hands  
13 meeting, is that he, based on what he had seen at  
14 other organizations, he thought Business Support was  
15 overstaffed.

16 And that one of his first initiatives  
17 would be taking a look in that area to reduce head  
18 count. Although he didn't give specific areas at that  
19 time, there were strong indications that, you know, it  
20 would be coming from groups within his organization.

21 You know would be significant head count  
22 reductions.

23 SR. SPECIAL AGENT TEATOR: And what groups  
24 would have been in his organization?

25 [REDACTED] That would have been the

1 supply chain organization, finance, technical  
2 integration, his cost center 1339.

3 SR. SPECIAL AGENT TEATOR: Business  
4 Support.

5 [REDACTED]: Business Support and at that  
6 time, Security and Emergency Preparedness reported to  
7 [REDACTED]

8 SR. SPECIAL AGENT TEATOR: Okay. During  
9 these discussions held by [REDACTED], were you  
10 ever present for him making a comment that there would  
11 be a reduction in force also in [REDACTED] group, meaning  
12 Kim Harbin?

13 [REDACTED]: No. No indications.

14 SR. SPECIAL AGENT TEATOR: All right. You  
15 talked a little bit, a few minutes ago, about  
16 budgeting for Kim Harbin's temporary living expenses.

17 From what I understand and what I've seen,  
18 her temporary living expenses ended on January 5th,  
19 2003. Do you know that to be true or not?

20 [REDACTED]: Not to, for sure, but that  
21 sounds like the time frame that they would have ended.

22 SR. SPECIAL AGENT TEATOR: Do you know why  
23 they would have ended then, in that time frame?

24 [REDACTED]: Wasn't that, that was  
25 consistent with her release date, wasn't it? Wasn't

1 she released in -

2 SR. SPECIAL AGENT TEATOR: No. No, her  
3 last day, her last day on the payroll would have been  
4 April 17th, 2003. That would have included her 45  
5 days.

6 ( [REDACTED] ) No, I don't know why they  
7 were, I don't know why they were suspended in January.

8 SR. SPECIAL AGENT TEATOR: Okay. I've seen  
9 that. I'm just, thought I'd ask the question about  
10 that.

11 ( [REDACTED] ) No.

12 SR. SPECIAL AGENT TEATOR: All right. At  
13 some point did you learn that Kim Harbin's position  
14 was eliminated, and if so, can you go into how you  
15 became aware of that and when you became aware of it?

16 ( [REDACTED] ) As I recollect, Jeff, it was  
17 after she had been terminated or told her position  
18 would be eliminated, that I found out about it.

19 And it was, there wasn't any kind of  
20 direct, it wasn't any kind of memo or anything, it was  
21 more or less water fountain talk that I had overheard  
22 somebody say that she had been released.

23 And at the time there was no indication,  
24 no details as to why or anything of that nature.

25 SR. SPECIAL AGENT TEATOR: Have you since

76

1 learned why her position was eliminated?

2 (b) I've heard a lot of different  
3 reasons, but no, I don't know specifically why.

4 SR. SPECIAL AGENT TEATOR: Well, I asked  
5 you have you heard some of those reasons?

6 (b) No. Oh, yes, I have.

7 SR. SPECIAL AGENT TEATOR: Tell me what you  
8 heard?

9 (b) I heard that she had had some  
10 problems with some of the managers over in the Station  
11 and that they had come to, come to some disagreements  
12 and misalignments and that she was terminated.

13 SR. SPECIAL AGENT TEATOR: Okay. Did you  
14 hear that from any of those particular managers?

15 (b) No, sir.

16 SR. SPECIAL AGENT TEATOR: Okay, and what  
17 other reasons did you hear for why she was, her  
18 position was eliminated?

19 (b) Well, I heard things such as  
20 nobody could really figure out what she was doing over  
21 there. Strictly, one of the things that I had heard.  
22 Whether was she was effective or not, I never, I don't  
23 know.

24 SR. SPECIAL AGENT TEATOR: All right. Any  
25 other reasons why you heard her position was

1 eliminated?

2 ( [REDACTED] ) Not that I can recall, Jeff.

3 SR. SPECIAL AGENT TEATOR: Okay. Was it  
4 ever mentioned in your presence that her position had  
5 been eliminated as part of this reduction in force  
6 that occurred down here?

7 ( [REDACTED] ) No.

8 SR. SPECIAL AGENT TEATOR: All right. All  
9 right, her, she was informed in late February, 2003,  
10 that her position had been eliminated. That's when  
11 she was informed, okay.

12 Would you have found out, do you think you  
13 found out about that shortly after then, or would you  
14 have found after, in fact, her last day was here,  
15 which would have been April 17th?

16 ( [REDACTED] ) As I recall, it was after she  
17 had left the site that I found out she was gone.

18 SR. SPECIAL AGENT TEATOR: Her last day  
19 here at the site was March 28th.

20 ( [REDACTED] ) Okay.

21 SR. SPECIAL AGENT TEATOR: Although she was  
22 paid through the 17th, her last actual day was the  
23 28th.

24 ( [REDACTED] ) Okay.

25 SR. SPECIAL AGENT TEATOR: Okay, so then in

1 your monthly budget forecast for [REDACTED] s group,  
2 would you have included her in that, her employment in  
3 that forecast up until you heard that she had actually  
4 lost her job?

5 [REDACTED] Correct, yes.

6 SR. SPECIAL AGENT TEATOR: And after you  
7 learned that she was no longer working here, did you  
8 then adjust the next month's forecast accordingly?

9 [REDACTED] Yes. Like I say in our  
10 budget, in our forecasting what we do though is we  
11 typically look at who's there.

12 SR. SPECIAL AGENT TEATOR: Right.

13 [REDACTED] Her no longer being there.  
14 Including those two people that were left, plus any  
15 known people, open positions or people that we knew we  
16 were bringing on board.

17 SR. SPECIAL AGENT TEATOR: Okay.

18 [REDACTED] So that's a long way of  
19 answering your question, yes, we would have taken her  
20 out of future forecasts.

21 SR. SPECIAL AGENT TEATOR: All right. At  
22 some point Kim Harbin transferred down here from, I  
23 think it was an administrative transfer. She was  
24 already working down here, but there was, she was  
25 actually taken from corporate down to NBU, working

1 directly for [REDACTED]  
2 [REDACTED] Right.

3 SR. SPECIAL AGENT TEATOR: Were you  
4 involved in that at all, and if so, what was your  
5 involvement?

6 [REDACTED] Yes, I was involved to the  
7 extent that we wanted, Kim had asked me to help with  
8 the continuity of her expenses. To make sure, you  
9 know, that she continued to get her expenses.

10 I also helped her get her SAP access  
11 upgraded or changed, so she could get into our nuclear  
12 reports. And primarily, just getting, making sure she  
13 got set up down here to be able to use SAP and make  
14 sure expenses continued to go through.

15 SR. SPECIAL AGENT TEATOR: All right. Let  
16 me ask you this question. In your, you were doing  
17 budget work down here for 20 years, for the Nuclear  
18 Business Unit, correct?

19 [REDACTED]: Right.

20 SR. SPECIAL AGENT TEATOR: All right. Did  
21 you find it unusual that even after Kim Harbin was  
22 transferred down here to work for [REDACTED] that  
23 she was still getting temporary living expenses?

24 [REDACTED]: Yes.

25 SR. SPECIAL AGENT TEATOR: Had you ever

1 seen that occur before for another individual in her  
2 situation?

3 [REDACTED] No.

4 SR. SPECIAL AGENT TEATOR: Can you, do you  
5 know why her temporary living expenses were continued  
6 after she was transferred down here? Do you know why  
7 that happened?

8 [REDACTED]: Only to the extent that the,  
9 there was a question from my supervisor, [REDACTED],  
10 to [REDACTED] about that specific issue.

11 SR. SPECIAL AGENT TEATOR: Right.

12 [REDACTED]: You know, now that she's  
13 transferred down here and she's a nuclear employee,  
14 she shouldn't be eligible for that. [REDACTED]  
15 agreed.

16 SR. SPECIAL AGENT TEATOR: Okay.

17 [REDACTED] Kim Harbin went to [REDACTED], and  
18 that was, that change was reversed, that decision was  
19 reversed. And we continued to pay Kim's expenses plus  
20 the company car.

21 SR. SPECIAL AGENT TEATOR: Okay. It's  
22 1:50, I'm going to take a short break.

23 (Whereupon, the foregoing matter  
24 went off the record at 1:50  
25 p.m., and went back on the

7c

record at 1:56 p.m.)

1  
2 SR. SPECIAL AGENT TEATOR: Okay, it's  
3 approximately 1:56 in the afternoon, we're back on the  
4 record.

5 ( [REDACTED] ) we talked about her, Kim Harbin's  
6 position elimination, the decision to do that. Were  
7 you part of any discussions surrounding that before it  
8 occurred?

9 ( [REDACTED] ) No, sir.

10 SR. SPECIAL AGENT TEATOR: Okay. Do you  
11 recall have any discussions at all with ( [REDACTED] )  
12 surrounding whether Kim Harbin would have a job in the  
13 year 2003, or not?

14 ( [REDACTED] ) No, sir.

15 SR. SPECIAL AGENT TEATOR: At some point a  
16 decision was made where, some people use the term  
17 acceleration. Her last day at the site was moved up.  
18 She would still be paid for the 45 days or so, but the  
19 last day she would have access to the site was moved  
20 up to March 28th, 2003, from April, I guess, 16th or  
21 17th.

22 Were you part of any discussions  
23 surrounding why that occurred?

24 ( [REDACTED] ) No, sir.

25 SR. SPECIAL AGENT TEATOR: All right. How

**NEAL R. GROSS**

COURT REPORTERS AND TRANSCRIBERS  
1323 RHODE ISLAND AVE., N.W.  
WASHINGTON, D.C. 20005-3701

1 well do you know Kim Harbin?

2 [REDACTED] Certainly not from a personal  
3 standpoint, but I had probably weekly, maybe bi-weekly  
4 contact with her the whole time she was here.

5 Primarily associated with the expenses end  
6 of it. Her expenses, her time sheets, you know,  
7 instructions on how she should show this and that on  
8 her time sheet.

9 I felt like I knew Kim pretty well.

10 SR. SPECIAL AGENT TEATOR: Do you still  
11 feel like you do?

12 [REDACTED] I haven't had discussions with  
13 Kim since she left here, so I still think I know her  
14 as well as I did before.

15 SR. SPECIAL AGENT TEATOR: During any of  
16 those discussions with Kim Harbin, did she tell you of  
17 any concerns she had raised regarding safety here at  
18 the plant?

19 [REDACTED] No, sir.

20 SR. SPECIAL AGENT TEATOR: In general, I'm  
21 just going to use the word safety. Did she ever say  
22 that she had raised such concerns to you?

23 [REDACTED] No, sir.

24 SR. SPECIAL AGENT TEATOR: Did she ever  
25 tell you that she had raised concerns about perception

1 that production is emphasized over safety?

2 ( [REDACTED] ) No, sir.

3 SR. SPECIAL AGENT TEATOR: That managers  
4 were making non-conservative safety decisions in the  
5 plant?

6 ( [REDACTED] ) No, sir.

7 SR. SPECIAL AGENT TEATOR: Oh, okay.

8 ( [REDACTED] ) Ours was strictly, you know,  
9 budget-related issues. Other than, you know, what did  
10 you do over the weekend and, you know, how's your  
11 family, this, that and the other.

12 SR. SPECIAL AGENT TEATOR: At any point did  
13 she tell you, during one of these discussions you had  
14 with her, that her position had been eliminated?

15 ( [REDACTED] ) No, sir.

16 SR. SPECIAL AGENT TEATOR: Okay. I think  
17 I'm pretty much done. I'm just going to look over my  
18 notes one more time. It's 1:59, we'll take a short  
19 break.

20 (Whereupon, the foregoing matter  
21 went off the record at 1:59  
22 p.m., and went back on the  
23 record at 2:01 p.m.)

24 SR. SPECIAL AGENT TEATOR: Okay, it's about  
25 2:01 in the afternoon. I don't have, I do have one
