Subject: Review of transcripts

Dave and Eileen,

I'm proposing Monday, Dec. 22 to come to your offices to review my transcripts and answer any additional questions.

Please let me know if this is suitable. I realize it will likely take most of the day.

Thank you,

Kymn

[REDACTED]  
p.s. PSEG is attempting to have [REDACTED] and [REDACTED] removed as Defendants. My attorney and I will be fighting this motion, especially given "HR" (which was cited in the [REDACTED] letter to me as being responsible for my "accelerated departure") reports to [REDACTED] (not [REDACTED]). Also, technically, I was an employee of PSEG Power, not PSEG Nuclear. In addition, my claim of further retaliatory action once I wrote [REDACTED]s cause to keep him as a Defendant.

p.p.s. I realize just now that I don't think we ever spoke of the "work" I had planned in early April at Corporate Headquarters. As part of my search for other positions in the PSEG Enterprise, I had offered my services to [REDACTED] (who used to be at Nuclear) to do some work with him and his direct reports. I had had one meeting already with [REDACTED] at his office in Newark. Additional meetings with his managers had been scheduled 7-10 days before my departure was "accelerated." Because I was denied access to other company locations as of 3/28, these meetings had to be cancelled. Any chance of gaining a position or consulting work in the IT organization was lost.
