MEMORANDUM TO: The File (Case No. 1-2003-045)

FROM: S/A E. Neff  
Office of Investigations

SUBJECT: TELEPHONIC CONTACT WITH KYMN HARVIN  
ON JANUARY 26, 2004

HARVIN wanted to point out that the argument that hers was a temporary position at PSEG Nuclear would have been simple to make if it had been accurate. At no time was she informed by [REDACTED] or [REDACTED] that her time there had expired. Additionally, [REDACTED] response in July 2003 does not support that it was a temporary position. She recalled that [REDACTED] clarified with her the e-mail that transferred her to PSEG Nuclear; it was not about a physical move, but a "paper move" and a reporting change from Corporate to Nuclear. 7C
