Dear Mr. Regan,

Holtec has reviewed the Draft CoC and SER for Amendment No. 3 to CoC 1014, dated 7/14/06. There are two minor comments as follows:

- 1) Pages 3 and 4 of the CoC are both labeled "Page 3 of 5"
- 2) SER Section II, 2nd paragraph, 2nd sentence states "It is made entirely of stainless steel.". This is in conflict with the CoC that states on page 1 "It is made entirely of stainless steel except". Maybe the sentence can be removed, since the following sentence in the SER ("All MPC components ...") clarifies the materials.

Regards
