| Summary: | I phoned Mr. Ramsey in the AM to gain clarification regarding the closeout survey submitted in correspondence dated 07/14/2006. He was not available but returned my call in the PM. I informed him that the closeout survey did not include the old Stress Testing Area of the old Nuclear Medicine Department. Mr. Ramsey stated the old Stress Testing Area was still in use and the new Stress Area was yet to be utilized. He stated that the closeout survey for the old Stress Area would be submitted in an amendment request once operations are switched to the new stress testing facility. | |
