SUBJECT: PUBLIC MEETING SUMMARY (LICENSEE PERFORMANCE REVIEW) AREVA
NP LYNCHBURG DOCKET NO. 70-1201

Dear Mr. Grandemange:

This letter refers to the public meeting conducted at the AREVA NP, Inc. Corporate Office on July 13, 2006. The purpose of this meeting was to discuss the results of your Mt. Athos Road (MAR) Facility performance in the areas of safety operations, radiological controls, facility support, and special topics covering the period from May 2, 2004 to April 21, 2006. The meeting also provided you the opportunity to provide feedback to the NRC regarding your self assessment and perception of the NRC performance review. The meeting was beneficial and provided the NRC with information regarding the various initiatives taken at the MAR Facility both onsite and offsite. Additionally, the meeting afforded members of the public and a media representative in attendance the chance to ask questions regarding your facility and/or the NRC licensee performance process.

The names of participating attendees at the meeting and a copy of the presentations used by AREVA NP and the NRC are enclosed.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosures will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's Agency wide Document Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
