Eileen, i know you have a lot going on, but when you get a chance could you give me a brief written outline on: 1) who has been interviewed regarding the h&i to include what they testified to; 2) who you see as needing to be interviewed; 3) important records which you have received/reviewed that go to supporting or disproving the claim; and 4) short time line on: a) when she engaged in PA, b) mgmt. knowledge of the PA, and c) the adverse acts committed against her. thanks, jeff
