<p>Summary: I contacted Mr. Hardesty and Ms. Pallecek to determine if licensed material was in use at their facilities. They indicated that generally-licensed gauges were at all three locations. All three of the facilities were located in Agreement States, i.e., Smart Papers in Ohio and the other two in Wisconsin. Both regulatory authorities have been notified of the proceedings. When the transactions are completed, the proper regulatory authorities will be informed of any name change, contact change or phone number changes. The gauges are to remain in place along with the process lines after the sale. I thanked the individuals for the information.</p>
