Kathy,

Not sure why the Irradiator License has the Collegeville address. Since both Richard and I are located at King of Prussia, it would make sense to change the mailing address to : GlaxoSmithKline, 709 Swedeland Rd., PO Box 1539, King of Prussia, PA 19406-0939.

By the way, just in case you are wondering, the official, legal name continues to be SmithKline Beecham Pharmaceuticals, (doing business as GlaxoSmtihKline). For mailing purposes I would use GlaxoSmithKline since that seems to be the name most people, including the post office knows)

Regards,

Eileen

Thank you Eileen.

One last question - I noticed that your broad scope license has the KoP mailing address and the irradiator license has the Collegeville address. Do you want to make a change to the irradiator license mailing address?

Kathy
