Dear Mr. Sykes,

Respectfully request to reschedule the Ginna operating test and written examination from the week of July 17, 2006 to the week of August 28, 2006 based on additional remedial actions needed for the license candidates. Per discussion with Todd Fish, Lead Examiner, the week of August 28, 2006 coincides with an opening in his schedule.

Should you have any questions please contact James Reid, General Supervisor, Operations Training at 585-771-5415.
