<small>(NOTE: This will be used as the Documents Title in ADAMS)</small>		
Summary:	<p>11:30 I left a message on Mr. Och's voice-mail for him to get back in touch with me concerning the renewal of the nuclear pacemaker license.</p> <p>11:45 I spoke with an administrative receptionist and asked for Richard Early, Vice President. I was informed that she would have someone else get in touch with me as Mr. Early would be leaving the employ of the facility by July 31, 2006.</p> <p>16:00 I spoke with Mr. Rizzi. He indicated that Mr. Ochs was on vacation and had been working on the application in conjunction with Penny Lanzisera of NRC RI. Mr. Rizzi stated that Mr. Ochs told him that the application had been completed on Monday and mailed in to the NRC. I requested that Mr. Rizzi contact me on July 31st so that I could inform him of whether the package had arrived or not. If the package did not arrive by that time, efforts would be made to fax a copy of the documents to start the licensing action.</p>
