Thanks John, all offers of help are appreciated. Can you help me by identifying a similar joint government organization in New Hampshire which could coordinate between local and State officials? We requested help from the our contact in the New Hampshire governor's office, Michael Nawoj, but with no results. In particular, I would like to do one briefing for the staffs of State Senator Thomas Keene and State Representative Deb Hogancamp and William Nebelski, the chair of the Hinsdale Selectboard. I thought of asking William Nebelski (802) 257-5256 from Hinsdale if he could coordinate. If you want to make contact for me in New Hampshire, that would be great. We have already met with Bruce Cheney, the Director of Emergency Services for New Hampshire in Concord, NH.

As State Liaison Officer for RI, let me know if I can help. (I am acting for Bob Bores who is temporarily out of the office and I am not sure if this meeting arrangement is something we/I should be arranging from here).

FYI, I am in the early planning stages of trying to set a meeting with State and local officials near VY in the State of Massachusetts. Since we cannot visit every town individually, I am approaching the Franklin Regional Council of Governments which coordinates joint activities with local governments in the area. I will keep you informed of progress in this area, but again we are only in the early stages of making contact.
