July 31, 2006 (3:28pm)

Ref: PRM-35-19

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Sirs:

I am writing in support of the above Petition. It is important that patient access to this important class of anticancer medications be protected. This Petition will help guarantee that all physicians who treat cancer patients will have access to these medications while providing ample protection for the public, patients, and healthcare workers.

6

Sincerely,

Physicians at North Shore Hematology/Oncology Associates, P.C.
