Resending this after a conversation with Michelle. This call does not constitute the post conference caucus - only a continuation of info exchange since HQ folks did not hear the entire conference. The post conference caucus will be scheduled in the normal manner by R-IV.

Wait a minute. This is out of control.

Post conference caucuses, if not held immediately after the conference, or if additional caucuses are needed, are to be scheduled in the Region's normal SERP time slot. For R-IV this is Thursday afternoons.

Any changes to the normal times are to be arranged thru the NRR enforcement coordinator, Rani Franovich and the OE enforcement specialist who has the case.

All,  
 We will meet today at 11:30am in room O-8B6. I understand many of you have other meetings and we all need to eat lunch. Feel free to bring your lunch along. I don't know how long the call will last, please come for as long as your schedule permits. I'm waiting on the TAC number assignment from the WPC. I will forward it to you once I get it.  
 Thank you for your support.
