MEMORANDUM FOR: Richard E. Cunningham, Director
Division of Fuel Cycle and Materials Safety, NMSS

FROM: James G. Partlow, Director
Division of Inspection Programs, IE

SUBJECT: REVIEW OF SEQUOYAH FUELS CORPORATION REQUEST FOR
RESUMPTION OF OPERATIONS

We have reviewed the May 7, 1986 letter from Mr. J. G. Randolph to Robert Martin requesting authorization to resume UF₆ operations at the Sequoyah facility and submitted comments on this proposal to your office on May 16, 1986. We have no additional comments at this time.

Len Cobb and Doug Siy of my staff are the points of contact on my staff.

ORIGINAL SIGNED BY:
JAMES G. PARTLOW
