MEMORANDUM FOR: e Chairman
Commissioner Rogers
Commissioner Curtiss
Commissioner Remick
Commissioner de Planque

FROM: James M. Taylor
Executive Director for Operations

SUBJECT: STATUS OF STAFFING LEVELS AT SEQUOYAH FUELS CORPORATION

In a Staff Requirements Memorandum dated December 31, 1992, it was requested that the staff obtain information regarding staffing levels for the Sequoyah Fuels Corporation (SFC) facility located in Gore, Oklahoma. SFC currently has 168 job positions. The breakdown by position is contained in SFC's organization chart (Enclosure 1). SFC has stated that it will continue to ensure adequate staffing exists for ongoing operations and cleanout activities. The regional inspectors have verified that adequate staffing has existed for the activities conducted. The inspectors will continue to follow staffing for the SFC facility. SFC has indicated that the staffing level will be reduced to 109 job positions upon completion of the depleted DUF4 contract. The breakdown by position is contained in Enclosure 2.

The staff is available to answer any additional questions.
