Louisiana Energy Services, L.P.  
National Enrichment Facility  
NRC Docket No. 70-3103

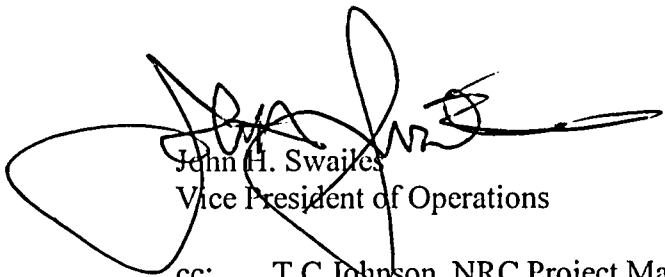

Subject: Semi-Annual National Enrichment Facility Effluent Monitoring Report

In accordance with 10CFR70.59, the Louisiana Energy Services is providing the semi-annual Effluent Monitoring Report for the National Enrichment Facility for the time period of January 1, 2006 through June 30, 2006.

Louisiana Energy Services received the license to construct and operate a gas centrifuge enrichment facility on June 23, 2006. Construction and operational activities for the National Enrichment Facility did not occur during the time period identified for this semi-annual submittal. As such, there were no radionuclides released to unrestricted areas in liquid or gaseous effluents.

If you have any questions, please do not hesitate to contact Mr. Karl Gross, Licensing Manager at 505.394.4646.

Respectfully,

  
John H. Swailes  
Vice President of Operations
