Thanks for the info. I too need OI to answer the "why did it take as long as it did?" question. To respond to USC's letter I'm looking for info on:

- an agreement I heard they/RGN-I had with the allegor to address the SCWE issue before (instead of in parallel with) the discrimination issue;
- a discussion of the extent of the investigation (i.e., do we normally not do certain things [redacted] etc.) that we did in this case?; was it necessary to do 10 times as many interviews as we normally do?;
- does OI have metrics to monitor it's goals to resolve allegations of discrimination within 10 months? What actions are taken to meet and monitor that goal?

Thanks, Lisa

Appended is a draft of the Comm Plan for two cases: the release of information on Kymm Harvin's discrimination case and a [redacted] to a Salem [redacted] Neither was substantiated.

We're soliciting feedback on additional Qs and As. We'd like to have a complete list by mid-day on March 16. Please provide any comments you may have by then.
