Lisa,

I concur in the letter with one comment (see below). I am also aware that you have processed comments that you have received since putting out this revision, and I agree with them.

Attached is the revised Lochbaum letter. It differs from the previous one you concurred on in that:

Previous comments from both Dave Vito and Ernie Wilson are also still reflected in this version.

Please review and concur and I will hold the letter per the EDO's instruction until the allegation closure letters are complete.
