Subject: Additional information needed for amendment request

Hello Mark,

In order to continue our review of The Chambersburg Hospital's request dated June 15, 2006, to remove the long-term waste storage shed from their NRC license, please provide the following additional information :

1. Provide a diagram of the storage shed with the the wipe/survey locations depicted on the diagram.
2. Provide a list of the radioisotopes which were stored in the shed and the approximate dates these isotopes were removed from the shed.
3. Please confirm that all radioactive material was removed from the shed prior to the closeout survey performed on June 12, 2006.
4. Provide the manufacturer and model number of the survey probe used with the Ludlum Model 14C portable survey meter.
5. Provide wipe test results in units of disintegrations per minute per 100 square centimeters (dpm/100 sq. cm).

Because your response will contain license commitments, please have your response signed and dated by an individual authorized to make binding commitments and sign official documents on behalf of the licensee. Please submit your response within 30 calendar days of the date of this email. Please be sure to include Mail Control No. 139043 in your response. Please note that you may not reply to this email by return email. Your reply must be in writing by letter or facsimile (610-337-5269).

If you have any questions regarding these items, please call me at 610-337-5371. Thank you for your attention to this matter.

Sincerely,

Donna Janda
