

From: Daniel Holody *ef*
To: Hubert Miller
Date: 1/23/04 9:23AM
Subject: Draft Letter to Salem

Hub

Attached is Randy's revision to the letter that I provided to you and others previously for comment. We met late yesterday and some changes need to be made for accuracy and assuring any statements do not impact any related OI investigation. [REDACTED] DRP, Dave Vito, Karl, OI, and myself are reviewing today and I will incorporate the comments into another revision.
