Kymn,

Our PAO practice is not to consult with stakeholders (licensees or others) on media contacts, so Diane will not be able to alert you when we are contacted. Sorry.

Regarding your request for us to post your talk, it will take some time to work through your request to post it on our website. In the meantime, I could get it into ADAMS if you like. Please let me know.

Randy, *7C*

Here is the final version of my talk yesterday.

Please let me know what I need to do to have this published on the NRC website.

Also, please ask Diane to let me know when the first media inquiries come in.

Thank you.
