This letter is in reference to the phone call requesting additional information for our license application:

1. We have attached NRC fir 526 and required fee.
2. We will provide radiation safety training to employees initially and then annually as described in NUREG 1556, Vol 9. The training will include Hand-outs and lecture provided by Dr. Vijayakumar and/or Physics Consultant. The session will be followed by a question and answer period.

If you need any additional information please contact me.
