RE: Updates to NRC Materials License Number 29-01035-01

03005249

Dear Sir/Madam,

RECEIVED  
REGION I  
2006 AUG 11 AM 10:00

As per your office directions, this letter serves as a request for an amendment to Materials License No. 29-01-01035-01, for FMC's Chemical Research and Development Center in Princeton, NJ. FMC would like to update the following items listed under the license CONDITIONS.

First, FMC would like to delete the names of specific "Radiation Supervisors" from the license (Item No. 11) page 2, since they are no longer employed at this site. Second, FMC would like to add new names of qualified radiation supervisors.

## **1. Radiation Supervisor Names to be Removed From the License (Item No. 11)**

1. M.K. Chaguturu
2. Peter Dierks
3. James R. Eldridge
4. Robert Henrie
5. G. Russell Peters
6. Sandra Simpson

## **2. Radiation Supervisor Names to be Added To the License (Item No. 11)**

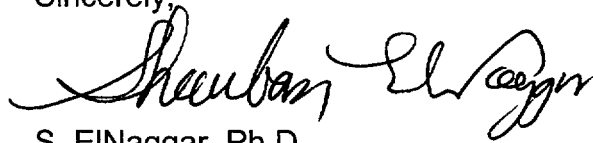

1. Evon Bolessa
2. Li-Quan Wang

Evon Bolessa, Ph.D.: Formal training in organic synthesis chemistry and radioisotopes synthesis. Has educational background in experimental sciences, physics theory and uses of radioisotopes, radiation instrumentation, and radiation protection. Evon had more than six years of experience in synthesis/use of C14, H3 isotopes in Environmental Sciences studies.

Li-Quan Wang, Ph.D.: Formal training in Metabolism and Natural Products chemistry using radioisotopes tracing technologies. Has educational background in experimental sciences that includes chemistry, physics theory and uses of radioisotopes, radiation instrumentation, and radiation protection. Li-Quan had more than six years of experience in working with C14, H3, and S35, and use of isotopes in Environmental Sciences studies.

Please contact me if you have any questions or require further information.

Sincerely,

 8/10/2006

S. ElNaggar, Ph.D.  
Radiation Safety Officer

This is to acknowledge the receipt of your letter/application dated

8/10/2006, and to inform you that the initial processing which includes an administrative review has been performed.

☒ Amendment 29-01035-01 There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

☐ Please provide to this office within 30 days of your receipt of this card

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned Mail Control Number 139262.  
When calling to inquire about this action, please refer to this control number.  
You may call us on (610) 337-5398, or 337-5260.
