

<b>U.S. NUCLEAR REGULATORY COMMISSION</b>		Date: 8/16-8/17/06												
<b>TELEPHONE CONVERSATION RECORD</b>		Time: various												
Mail Control 139170 or Report No(s).	License No(s). 29-07566-01	Docket No(s). 03002502												
Name of Licensee: St. Peters University Hospital  Name of Participant(s): Bob Tokarz, physics consultant  Telephone No. 732-424-0909  Subject: Additional information for license amendment request <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>														
Summary: This record summarizes a series of voicemail and e-mail messages on the above date. I informed Bob of the following:  <div style="margin-left: 40px;">           1) Because Dr. Desai is currently listed as an AU for same uses on another license, this amendment request can be considered to constitute notification under the provisions of 10 CFR 35.13 and 14. Licensee should assure that Dr. Desai receives vendor- or vendor-equivalent training before independently performing the duties of HDR AU.             2) Additional information is needed to show that Craig Marsden, Ph.D. meets the requirements of 10 CFR 35.51 to be named as authorized medical physicist (AMP). If he has been listed as HDR AMP on the NY radioactive materials license for White Plains Hospital (or on any other license), please submit a copy. Otherwise it is necessary to submit detailed information to show that Dr. Marsden meets the requirements of 10 CFR 35.51(b)(1) and (c), along with a preceptor attestation that includes the elements required by 35.51(b)(2).             I asked Bob to let me know whether the licensee plans to submit a copy of a license showing Dr. Marsden listed as AMP for HDR, submit detailed information required by 35.51, or withdraw the request.         </div>														
Action Required: Await response
