MEMORANDUM TO: Annette L. Vietti-Cook, Secretary

FROM: Luis A. Reyes */RA/*
Executive Director for Operations

SUBJECT: REVISIONS OF PROPOSED 10 CFR 73.18 AND 73.19 FOR
THE RULEMAKING - POWER REACTOR SECURITY
REQUIREMENTS (RIN 3150-AG63)

The Staff Requirements Memoranda (SRM) for SECY-06-0126, "Proposed Rulemaking - Power Reactor Security Requirements" directed the staff to revise the proposed rule language for §§ 73.18 and 73.19 to reflect the current Department of Justice conceptual approach on implementing the weapons provisions of section 161A of the Energy Policy Act of 2005.

The enclosed revisions to the proposed rule language, to include changes to certain definitions provided in the proposed § 73.2 and conforming changes to the *Federal Register* Notice statements of consideration and supporting analyses, are forwarded for your information.

As required by the SRM, the staff briefed the Commissioners' technical assistants regarding these revisions on August 3, 2006.

These revisions, and the other comments and changes specified in the SRM, are being incorporated into the final proposed rulemaking package that will be forwarded for publication in the *Federal Register* Notice.
