ORDER
(Granting Motion to Amend Discovery Schedule)

The NRC Staff recently filed, on behalf of both parties to this enforcement proceeding, a joint motion to extend the targeted completion of discovery from September 15 to October 13. In support, the parties indicate that discovery has thus far proceeded generally as planned but that “accommodat[ing] the schedules of various different witnesses and counsel” has left both sides with a number of depositions yet to schedule after the current deadline of September 15.

Given the number of documents and depositions involved, it is understandable that it has now proven necessary to amend the originally-agreed-upon discovery schedule. Accordingly, the joint motion to extend the discovery completion date herein from September 15 to October 13 is hereby GRANTED.

It is so ORDERED.
