SUBJECT: CEREXAGRI, INC., REQUEST FOR ADDITIONAL INFORMATION
CONCERNING FINANCIAL ASSURANCE DOCUMENTS, CONTROL NO.
139255

Dear Mr. Cihiy:

We have received your Letter of Credit dated August 9, 2006 providing financial assurance for decommissioning for Nuclear Regulatory Commission License No. 37-02226-02 in the increased amount. In order to continue our review, we need the following additional information:

1. Since the amount of financial assurance has changed, it requires a change to the Standby Trust Agreement. Schedule A and B of the standby trust agreement needs modified to the reflect the new value.
2. The change in financial assurance also requires a new Certification of Financial Assurance be written. Current guidance for creating this document is contained in NUREG-1757, Volume 3, "Consolidated NMSS Decommissioning Guidance, Financial Assurance, Recordkeeping, and Timeliness." Please see section A.2 on page A-17 for specific guidance. Please follow closely the model provided on page A-23.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Toolkit Index Page**. Or you may obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 139255. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5366.

J. Cihy
Cerexagri, Inc.
