SUMMARY
In a telephone conversation with Mr. Kollmansberger on this date, I related that we will need the following additional information before proceeding with their request:

1. Please confirm that the Model MC1DRP gauge bearing Serail Number MD20306468 as shown on leak test certificate dated February 10, 2006, is in fact a CPN International, Inc., MC Series gauge and not a Troxler Gauge as indicated on that certificate.

2. Please confirm that the expiration date listed on License No. 48-18031-01, for which termination is being requested, is October 31, 2013 and not August 31, 2008, as stated on your license termination request.

3. Please confirm that no leaking sealed sources were ever possessed by the licensee, based on routine leak test data.

4. Please provide a copy of your referenced current license, License No. 025-1167-1, issued by the State of Wisconsin, which confirms your authorization to possess all three make and model of gauges you indicated were transferred to it, in your license termination request.

Licensee was requested to provide response, in writing, to me (as additional information to Control Number 315512) by facsimile at 630-829-9782. No follow-up hard copy is needed. Any questions may be directed to me at 630-829-9829.
