Dear Mr. Swanson:

On July 18, 2006, we requested information about generally licensed radioactive devices that TSI transferred to recipients in Illinois. I have enclosed a copy of our request.

We have not received a reply thus far. Because the Illinois Emergency Management Agency is responsible for regulating generally licensed radioactive devices in Illinois, we rely upon information provided by distributors of these devices. We would, therefore, appreciate your reply.

As requested, please provide a transfer report for the first quarter of 2006.

We appreciate your cooperation in keeping the Illinois Emergency Management Agency informed of status of generally licensed radioactive material in Illinois. My telephone number is 217-785-9917 and my e-mail address is ewan@iema.state.il.us.

Sincerely,
