Dear Mr. Foldesi -

Thanks for taking the time to speak with me and my staff earlier today regarding the draft VA application. We appreciate your time and attention to these important matters, and we are available to assist you as needed. We will conduct the review as you request below and keep you apprised of its status. Please feel free to call with any further questions or comments.

Perhaps we'll see you at the OAS meeting in Mobile in late September.
Thanks, Janet

Dear Ms. Schluter,

I request that the Virginia Application submitted on August 21, 2006 be withdrawn; however, I do request a formal review of Enclosure 2 (Statutes and Regulations). NRC's comments regarding the adequacy of Virginia's enabling legislation and regulations will be helpful with the remainder of our application as previously discussed.
Thank you for your assistance.

Best regards,
