SUBJECT: APPRECIATION FOR THE SUPPORT FOR THE U.S. NUCLEAR  
REGULATORY COMMISSION'S PUBLIC MEETING

Dear Mr. Moore:

I would like to express my appreciation for the exceptional support provided by your staff during the U.S. Nuclear Regulatory Commission's recent public meeting on the supplement to the draft environmental impact statement for the North Anna early site permit. We had an opportunity to work with Ms. Barber who was very helpful in arranging the meeting logistics. The Forum at the Middle School is a very nice facility and was able to accommodate an unusually large number of people. In fact, over 300 people attended this meeting. Due to the large number of people who spoke at the meeting, the meeting ran longer than originally scheduled.

Your staff stayed late to support us, so that people could have a chance to speak. I truly appreciate the effort put forth by your staff. The Louisa County Sheriff's Department also provided exceptional service. The officers were professional and courteous. It was a true public service to make your school available for this meeting so that the public could express their comments. The meeting was a success in no small part because of the efforts of your staff.

Sincerely,

*/RA/*
