Summary:	Chris Rappolt contacted me regarding the information he submitted addressing the additional information requested in a letter sent to the licensee dated 6/30. He asked me if I had received the fax and if that info would be sufficient. I informed him that we would still need additional information regarding training and experience for Dr. Wentz. He stated that Dr. Wentz would be attending a radiation safety course. I asked him if he could send me either a copy of the certificate or an outline of the topics covered in the course upon completion. He said he would.
