Subject: Additional Information for Dr. Jeremy Wentz

Dear Mr. Ramsey,

Per your request during our telephone conversation today, I am sending information regarding the additional information we need in order to continue the review of your amendment request.

In order to add Jeremy Wentz to the license, we will need the following information. Please describe Dr. Wentz's formal training in the following areas:

- a. principles and practices of radiation protection;
- b. radioactivity measurements standardization and monitoring techniques and instruments;
- c. mathematics and calculations basic to the use and measurement of radioactivity; and
- d. biological effects of radiation.

In addition, describe the specific isotopes he has handled, the maximum quantities of materials handled, where the experience was gained, the duration of the experience and the type of use.

Please provide this additional information in a signed letter from management either by mail or fax to 610-337-5269. If you have any questions or concerns, please don't hesitate to call me at 610-337-5143.

Thanks,

Farrah Gaskins
