Paul Michalak  
Project Manager, USNRC

Paul,

Good morning, it was brought to my attention that we inadvertently submitted a copy of our proposed MU-K Pump Test to you for review and approval. The copy in question was a courtesy copy for your information only, as our license allows us to review and approve pump tests through the Safety and Environmental Review Panel (SERP) process. The internal SERP for the MU-K Pump Test was convened and approved on July 14, 2006.

Thank you for your assistance with this matter.

regards,

John McCarthy  
Manager, Safety, Health and Environment  
Power Resources, Inc.
