Re: License No. 06-30933-02 03036825

Dear Mr. Courtneanche;

I am currently the Site Head and Medical Director of Pfizer New Haven Clinical Research Unit. I am writing to request an amendment to our radiation activity license to appoint Dr. Subhashis Banerjee as Radiation Safety Officer for the facility, as Dr. Irina Kaplan is moving to a different department at Pfizer effective September 21, 2006. Please find attached Dr. Banerjee's CV and the letter from his previous place of employment describing his experience with handling radioactive materials. Dr. Banerjee will be attending a week long RSO training on September 11-15 at Radiation Safety Associated in Hebron, CT.

If you have any questions regarding this issue if you required any additional information, please don't hesitate to contact me.

Sincerely,

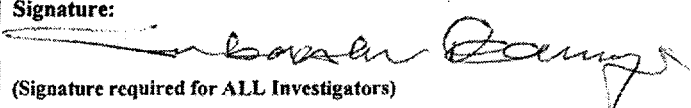

Dr. Howard Uderman  
Medical Director  
Site Head, Pfizer Clinical Research Unit
