Subject: Amendment to Materials License 06-00807-01 to remove authorization for the possession of Plutonium.

Dear Sirs/Madams:

We wish to apply for an amendment to our materials license to remove authorization for the possession of Plutonium, as we no longer possess Plutonium radioactive material in any form at Schlumberger-Doll Research. As a result of this removal, we do not possess any special nuclear material, as defined in 10 CFR 20, in our materials license.

Thank you for considering this request.

Sincerely,

Zilu Zhou, Ph. D.
