Dear Joe:

Thank you for those references. The ones from the 1990s are outdated and unconvincing given the ones from the 2000s which actually, if you read them, support my point about an increasing trend. I have corresponded at length with Dr. Araneta, and in fact I helped correct some numbers in the abstract of her paper you cite in Medline.

I am so close to filing suit against Margaret, Paul, and Vince. Please see the attached draft complaint. (See ML062480443 in ADAMS)

I hope this is all resolved when you get back from vacation.

Sincerely,
James Salsman
