Name of Licensee:	Quality Engineering Solutions, Inc.
Name of Participant(s):	Sherry Morian, President & Sattar Lodhi
Telephone No.	814 382 0373
Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Model Nos. Of gauges
Summary:	<p>I noticed that the license was not updated when the last amendment was processed on August 15, 2005. Additionally, the reviewer did not delete the hidden text book mark which had created an error in the license that was mailed to the licensee. I had to generate a new license to update it.</p> <p>I called the licensee to verify the Model numbers of the gauges that they have possessed or currently possess.</p> <p>Ms. Morian told me that they have possessed only two gauges and they do not intend to acquire any more gauges in the near future. She was not sure of the model numbers and that she will send the model numbers of the gauges in an e-mail soon.</p>
Action Required:	Document and process amendment after receipt of e-mail.
