SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE OSWEGO PUBLIC LIBRARY, RELATED TO THE REVIEW OF THE JAMES A. FITZPATRICK NUCLEAR POWER PLANT LICENSE RENEWAL APPLICATION

Dear Ms. Carol Ferlito:

This letter is a follow-up to our conversation on August 15, 2006, concerning the maintenance of relevant documents by your library. These documents are related to the U.S. **Nuclear Regulatory Commission (NRC) staff's review of the application by Entergy Nuclear Operations, Inc. for renewal of the operating license for James A. Fitzpatrick Nuclear Power Plant (Fitzpatrick) for an additional 20 years. The application was received by the NRC on August 01, 2006.**

The NRC staff appreciates your willingness to assist the public in participating in the license renewal application process. As discussed, your support would consist of providing shelf space in your reference section, which would be used for making documents related to the NRC staff's environmental review of the license renewal application available to the public. We will place the **Oswego Public Library** on our distribution list for documents and notices related to the review of the **Fitzpatrick application**. After the application process is completed in approximately two years, you may dispose of these documents.

A paper copy of the application is being sent to you via priority mail. An electronic version will also be made available at the NRC's License Renewal Website, accessible at <http://www.nrc.gov/reactors/operating/licensing/renewal/applications/fitzpatrick.html>.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-4049 or via e-mail at [shq@nrc.gov](mailto:shq@nrc.gov).

Sincerely,

/RA/
