Re: Kym Harvin

Dear Elliot:

I have not heard back from you for several days and need to know the status of our ability to communicate with Kym Harvin. As you know, she raised several concerns prior to leaving Nuclear that warrant investigation and her interview is required to close out the matter. To date, she has been unwilling to make herself available for an interview. If that position remains unchanged, please let me know as soon as possible. If she is willing to be interviewed on those issues, we need to set something up for next week.

In addition to the above, Kym failed to return the following equipment/property, which she promised she would deliver to her attorney and for which we have been waiting patiently:

2 laptop computers  
TLD  
Parking Permit  
PSEG ID

Kim represented to the company on her last day of work that she did not have any of these things with her and agreed to return them. Subsequently, she said she would deliver them to an attorney for delivery to the Company. Please have these items delivered to me by the end of next week. This is property that belongs to PSEG. Kym's retention of these things is inappropriate and unauthorized.

Thank you in advance for your cooperation in this matter.

Very truly yours,

  
Hope M. Pomerantz
