Good to see you, too. I know the positive impact that you had on myself and others. I can still see the results of the work that you did while you were here. Believe in yourself-you are one of the most amazing people I have ever met, and you know people better than they know their selves. History will vindicate you, as is already taking place as we speak. Life goes on...

i hope this reaches you! i need your PERSONAL email address as well!

i had a GREAT time with you yesterday. thanks for hanging out, listening to me, and being so supportive. you, more than anyone, have been "unchanging" in our friendship though we no longer work together. at a time when i've been heart-broken and questioning lots of what i believed in, you have been a "touchstone" for me. you have had me feel important, valued, lovable, and respected. you've helped me tremendously and i want you to know that for sure!

stay in touch....i'll do the same....looking forward to your 7 day!

hope things go well with inpo today~!

blessings to you and the kids,  
kymn
