Additional info from Dr. Harvin attached. I will expedite the tape for transcript regarding today's interview-it covers SCWE at HC as well as the March and June 2003 incidents. [redacted] is going to [redacted] as the [redacted] eff. 10/6 and is willing to provide additional information if needed. Sharon has more documents from Dr. Harvin given to me yesterday relating to the March 2003 Hope Creek issue. She has more information to provide and is having a problem transmitting it. I'm in contact with her re that. Ernie said Hub is interested in Dr. Harvin's background-you have a copy of her resume that came in with the initial information. If you need anything-I'm in tomorrow.
