If you call the toll free NRC Safety Hotline number (1-800-695-7403) in the Region I geographical area (Northeast), it rings at my desk. The associated land line is 610-332-5222. Just call when you get an opportunity. I'll be in the rest of the week.

Dave, I'm out of town and don't seem to have your phone number with me. Could you please call me or give it to me?

I'd like to speak with you before I head off into a series of meetings.

Thanks... [REDACTED]
