Dave,

I just tried reaching you by phone. Your number rang about 20 times, no voicemail came on. Just thought you'd want to know.

PSEG attorney Hope Pomerantz spoke with my attorney Bob Woodruff yesterday. She said the answer to the complaint is due next Tuesday, December 9, and they expect to have it in before then. She made some overtures about a settlement conversation but did not reach Bob today as promised.

Please let me know the name and phone number of the region's counsel and I'll have Bob call him directly with any pertinent updates.

Thank you.

Kymn

p.s. I appreciate you sending the quote.
