To Nuclear Regulatory Commission,

Robert Helmandollar has completed a Nuclear Gauge Safety Training Class conducted by Troxler Electronic Laboratories, Inc. on June 20, 2006. Pinnacle Mining Company, LLC would like to add the portable Troxler Gauge Model # 3430 - Device Serial # 35082 to License Number 47-25412-02. The Serial Numbers for the sealed sources are: 47-30466 for the Americium, and 77-2189 for the Cesium. Any questions can be directed to Barry O'Bryan at the phone number listed below.

Thank you,

Barry J. O'Bryan
Superintendent
