Eileen,

I hope you are doing well. Quite a few people are speaking about their interviews with you and I have heard not a single negative word. Thank you for being so thorough and professional.

Here's another bit of documentation related to my case. Remember I told you I had voiced to [REDACTED] the need to have the Directors again start meeting regularly with the Union leaders, as we had done previously? Well, here is the calendar notice sent out by [REDACTED] setting up these meetings weekly, starting 3/303.

Thank you.
